Zebra zero zigzag zipper zone zoo zoom

X-ray

Now, just add your own new words as you hear or see them ...

*PRACTICE using this English vocabulary, write a daily diary and read out loud. If possible get the sentences checked by a native speaker. Even from a zero base communicating English can be achieved in 20-weeks. Ideally, for hearing and practice, time spent in an English speaking country will crack it. Good luck!*

“Happy Travels in the World of Basic International English.”
